

The City of Menominee reminds its residents that the Menominee Municipal Code requires removal of snow and ice from sidewalks within the city as follows:

Sec. 22-50: Business/public buildings - within 24 hours after the last snowfall of one inch or more.

Sec. 22-51: Residential property - by 10 A.M. after 24 hours has passed since the last snowfall of one inch or more.

Failure to remove snow from the sidewalks may result in issuance of a citation for violation of the ordinance and removal of the snow by city crews at a cost of \$25.00 plus \$45.00 per hour billed to the property owner and as a possible special assessment against the property.
